PVC CAPE TOWN — SPEAKER PACKAGE

Cape Town, October

Thanks again for being part of this, Noah. Here's exactly what to expect and what you're getting as one of our guest speakers.

The Day

- 12:30: Arrival and briefing
- 13:00–14:00: VIP hour, all VIPs together with all 3 speakers, real, live problem-solving on their actual bottlenecks
- 14:00: General attendees arrive
- Afternoon: Each speaker runs a 30–45 minute session with Q&A
- ~16:20–16:40: Closing remarks
- 18:30: Dinner, real conversation, real connection

Who's In the Room

Real, vetted founders. Every attendee applies and goes through review. Given the travel and cost involved in a Cape Town event specifically, we're expecting natural self-selection toward higher-revenue founders, realistically R20k-50k/month and up, on top of our stated R10k/month minimum floor. Past applicants have mostly clustered around social media agencies, AI/web dev agencies, and a mix of others (property, fintech, retail).

What You're Getting

- Comped access to the full day, mastermind and dinner
- 1–2 months of Private Victories membership, on us
- Real, professional content from our team, captured and edited for your own use
- Direct access and connection to every founder in the room

Speaking Slot

30–45 minutes, your call on exact length. Topic is open to your strongest lane, business fundamentals, content, or sales, whatever you feel gives the room the most practical, usable takeaway.

Dress Code

Smart casual.

Genuinely excited to have you there.
